

QUESTIONS TO ASK AFTER AN AUTISM DIAGNOSIS

SCAN ME

UNDERSTANDING YOUR CHILD'S NEEDS

- Where does my child need the most support right now?
- How will this diagnosis help guide services or support?
- What should be prioritized in my child's treatment?

01.

SERVICES & ABA THERAPY

- What therapies are recommended for my child?
- How many hours of therapy are appropriate?
- How soon can services begin?

02.

INSURANCE & LOGISTICS

- What services does my insurance cover?
- Do I need a referral to begin therapy?
- What paperwork is required to get started?

03.

FAMILY SUPPORT & EXPECTATIONS

- How can I support my child at home?
- Will I receive parent training or guidance?
- Who can I reach out to when I have questions?
- How will I stay informed on my child's growth?
